# INTERNATIONAL COFFEE AGREEMENT 2001

## PREAMBLE

The Governments Party to this Agreement,

Recognizing the exceptional importance of coffee to the economies of many countries which are largely dependent upon this commodity for their export earnings and thus for the continuation of their development programmes in the social and economic fields;

Recognizing the importance of the coffee sector to the livelihoods of millions of people, particularly in developing countries, and bearing in mind that in many of these countries production is on small-scale family farms;

Recognizing the need to foster the development of productive resources and the promotion and maintenance of employment and income in the coffee industry in Member countries, thereby bringing about fair wages, higher living standards and better working conditions;

Considering that close international cooperation on trade in coffee will foster the economic diversification and development of coffee-producing countries, will contribute to the improvement of political and economic relations between coffee exporting and importing countries, and will provide for increasing consumption of coffee;

Recognizing the desirability of avoiding disequilibrium between production and consumption which can give rise to pronounced fluctuations in prices harmful both to producers and to consumers;

Considering the relationship between the stability of the trade in coffee and the stability of markets for manufactured goods;

Noting the advantages derived from the international cooperation which resulted from the operation of the International Coffee Agreements 1962, 1968, 1976, 1983 and 1994,

Have agreed as follows:

## CHAPTER I – OBJECTIVES

### ARTICLE 1 Objectives

The objectives of this Agreement are:

- (1) to promote international cooperation on coffee matters;
- (2) to provide a forum for intergovernmental consultations, and negotiations when appropriate, on coffee matters and on ways to achieve a reasonable balance between world supply and demand on a basis which will assure adequate supplies of coffee at fair prices to consumers and markets for coffee at remunerative prices to producers, and which will be conducive to long-term equilibrium between production and consumption;
- (3) to provide a forum for consultations on coffee matters with the private sector;
- (4) to facilitate the expansion and transparency of international trade in coffee;
- (5) to act as a centre for and promote the collection, dissemination and publication of economic and technical information, statistics and studies, as well as research and development, in coffee matters;
- (6) to encourage Members to develop a sustainable coffee economy;
- (7) to promote, encourage and increase the consumption of coffee;
- (8) to analyse and advise on the preparation of projects for the benefit of the world coffee economy, for their subsequent submission to donor or financing organizations, as appropriate;
- (9) to promote quality; and
- (10) to promote training and information programmes designed to assist the transfer to Members of technology relevant to coffee.

The Council shall, as soon as possible after this Agreement enters into force, and again three years after such date, review the conversion factors for the types of coffee listed in sub-paragraphs (d), (e), (f) and (g) below. Following such review the Council shall, by a distributed two-thirds majority vote, determine and publish appropriate conversion factors. Prior to the initial review, and should the Council be unable to reach a decision on this matter, the conversion factors will be those used in the International Coffee Agreement 1994, which are listed in Annex I to this Agreement. Subject to these provisions, the terms listed below shall have the following meaning:

- (a) *green coffee* means all coffee in the naked bean form before roasting;

## CHAPTER III – GENERAL UNDERTAKINGS BY MEMBERS

### ARTICLE 3

#### **General undertakings by Members**

- (1) Members undertake to adopt such measures as are necessary to enable them to fulfil their obligations under this Agreement and fully cooperate with one another in securing the attainment of the objectives of this Agreement; in particular, Members undertake to provide all information necessary to facilitate the functioning of this Agreement.
  
- (2) Members recognize that Certificates of Origin are important sources of information on the trade in coffee. Exporting Members, therefore, assume responsibility for ensuring the proper issuing and use of Certificates of Origin according to the rules established by the Council.
  
- (3) Members recognize further that information on re-exports is also important for the proper analysis of the world coffee economy. Importing Members, therefore, undertake to supply regular and accurate information on re-exports, in the form and manner determined by the Council.

## CHAPTER IV – MEMBERSHIP

### ARTICLE 4

#### **Membership of the Organization**

- (1) Each Contracting Party, together with those territories to which this Agreement is extended under the provisions of paragraph (1) of Article 48, shall constitute a single Member of the Organization, except as otherwise provided for under the provisions of Articles 5 and 6.
- (2) A Member may change its category of membership on such conditions as the Council may agree.
- (3) Any reference in this Agreement to a Government shall be construed as including a reference to the European Community, or any intergovernmental organization having comparable responsibilities in respect of the negotiation, conclusion and application of international agreements, in particular commodity agreements.
- (4) Such intergovernmental organization shall not itself have any votes but in the case of a vote on matters within its competence it shall be entitled to cast collectively the votes of its Member States. In such cases, the Member States of such intergovernmental organization shall not be entitled to exercise their individual voting rights.
- (5) Such intergovernmental organization shall not be eligible for election to the Executive Board under the provisions of paragraph (1) of Article 17 but may participate in the discussions of the Executive Board on matters within its competence. In the case of a vote on matters within its competence, and notwithstanding the provisions of paragraph (1) of Article 20, the votes which its Member States are entitled to cast in the Executive Board may be cast collectively by any one of those Member States.

### ARTICLE 5

#### **Separate membership in respect of designated territories**

Any Contracting Party which is a net importer of coffee may, at any time, by appropriate notification in accordance with the provisions of paragraph (2) of Article 48, declare that it is participating in the Organization separately with respect to any of the territories for whose international relations it is responsible, which are net exporters of coffee and which it designates. In such case, the metropolitan territory and its non-designated territories will have a single membership, and its designated territories, either individually or collectively as the notification indicates, will have separate membership.

## ARTICLE 6

**Group membership**

(1) Two or more Contracting Parties which are net exporters of coffee may, by appropriate notification to the Council and to the Secretary-General of the United Nations at the time of deposit of their respective instruments of ratification, acceptance, approval, provisional application or accession, declare that they are participating in the Organization as a Member group. A territory to which this Agreement has been extended under the provisions of paragraph (1) of Article 48 may constitute part of such Member group if the Government of the State responsible for its international relations has given appropriate notification thereof under the provisions of paragraph (2) of Article 48. Such Contracting Parties and designated territories must satisfy the following conditions:

- (a) they shall declare their willingness to accept responsibility for group obligations in an individual as well as a group capacity; and
- (b) they shall subsequently provide satisfactory evidence to the Council that:
  - (i) the group has the organization necessary to implement a common coffee policy and that they have the means of complying, together with the other parties to the group, with their obligations under this Agreement; and
  - (ii) they have a common or coordinated commercial and economic policy in relation to coffee and a coordinated monetary and financial policy, as well as the organs necessary to implement such policies, so that the Council is satisfied that the Member group is able to comply with the group obligations involved.

(2) Any Member group recognized under the International Coffee Agreement 1994 shall continue to be recognized as a group unless it notifies the Council that it no longer wishes to be so recognized.

(3) The Member group shall constitute a single Member of the Organization, except that each party to the group shall be treated as if it were a single Member in relation to matters arising under the following provisions:

- (a) Articles 11 and 12; and
- (b) Article 51.

(4) The Contracting Parties and designated territories joining as a Member group shall specify the Government or organization which will represent them in the Council on matters arising under this Agreement other than those specified in paragraph (3) of this Article.

- (5) The voting rights of the Member group shall be as follows:
- (a) the Member group shall have the same number of basic votes as a single Member country joining the Organization in an individual capacity. These basic votes shall be attributed to and cast by the Government or organization representing the group; and
  - (b) in the event of a vote on any matters arising under the provisions of paragraph (3) of this Article, the parties to the Member group may cast separately the votes attributed to them under the provisions of paragraph (3) of Article 13 as if each were an individual Member of the Organization, except for the basic votes, which shall remain attributable only to the Government or organization representing the group.
- (6) Any Contracting Party or designated territory which is a party to a Member group may, by notification to the Council, withdraw from that group and become a separate Member. Such withdrawal shall take effect upon receipt of the notification by the Council. If a party to a Member group withdraws from that group or ceases to participate in the Organization, the remaining parties to the group may apply to the Council to maintain the group; the group shall continue to exist unless the Council disapproves the application. If the Member group is dissolved, each former party to the group will become a separate Member. A Member which has ceased to be a party to a group may not, as long as this Agreement remains in force, again become a party to a group.
- (7) Any Contracting Party which wishes to become party to a Member group after this Agreement has entered into force may do so by notification to the Council provided that:
- (a) other Members of the group declare their willingness to accept the Member concerned as party to the Member group; and
  - (b) it notifies the Secretary-General of the United Nations that it is participating in the group.
- (8) Two or more exporting Members may, at any time after this Agreement has entered into force, apply to the Council to form a Member group. The Council shall approve the application if it finds that the Members have made a declaration and have provided satisfactory evidence in accordance with the requirements of paragraph (1) of this Article. Upon such approval, the Member group shall be subject to the provisions of paragraphs (3), (4), (5) and (6) of this Article.

- (3) The Headquarters Agreement referred to in paragraph (2) of this Article shall be independent of this Agreement. It shall however terminate:

  - (c) in the event of the Organization ceasing to exist.

(4) The Organization may conclude with one or more other Members agreements to be approved by the Council relating to such privileges and immunities as may be necessary for the proper functioning of this Agreement.

(5) The Governments of Member countries other than the host Government shall grant the Organization the same facilities in respect of currency or exchange restrictions, maintenance of bank accounts and transfer of monies, as are accorded to the specialized agencies of the United Nations.

- (6) The Council shall provide for the redistribution of votes in accordance with the provisions of this Article whenever there is a change in the membership of the Organization or if the voting rights of a Member are suspended or regained under the provisions of Article 25 or 42.
- (7) No Member shall hold more than 400 votes.
- (8) There shall be no fractional votes.

**ARTICLE 14****Voting procedure of the Council**

- (2) Any exporting Member may authorize any other exporting Member, and any importing Member may authorize any other importing Member, to represent its interests and to exercise its right to vote at any meeting or meetings of the Council. The limitation provided for in paragraph (7) of Article 13 shall not apply in this case.

## ARTICLE 15

  - (b) if a distributed two-thirds majority vote is again not obtained because of the negative vote of two or less exporting or two or less importing Members, the proposal shall, if the Council so decides by a majority of the Members present and by a distributed simple majority vote, be put to a vote again within 24 hours;
  - (c) if a distributed two-thirds majority vote is not obtained in the third vote because of the negative vote of one exporting or one importing Member, the proposal shall be considered adopted; and

- (3) Members undertake to accept as binding all decisions of the Council under the provisions of this Agreement.

## ARTICLE 16

**Cooperation with other organizations**

- (1) The Council may make arrangements for consultation and cooperation with the United Nations and its specialized agencies and with other appropriate intergovernmental organizations. It shall take full advantage of the facilities of the Common Fund for Commodities and other sources of funding. Such arrangements may include financial arrangements which the Council considers appropriate for achieving the objectives of this Agreement. However, in respect of the implementation of any project under such arrangements the Organization shall not incur any financial obligations for guarantees given by individual Members or other entities. No Member shall be responsible by reason of its membership of the Organization for any liability arising from borrowing or lending by any other Member or entity in connection with such projects.

(2) Where possible, the Organization may also collect from Members, non-members, and from donor and other agencies, information on development projects and programmes focussing on the coffee sector. Where appropriate, and with the agreement of the parties concerned, the Organization may make this information available to such other organizations as well as to Members.

## CHAPTER VII – THE EXECUTIVE BOARD

### ARTICLE 17

#### **Composition and meetings of the Executive Board**

- (3) The Executive Board shall have a Chairman and a Vice-Chairman, who shall be elected by the Council for each coffee year and may be re-elected. These officers shall not be paid by the Organization. Neither the Chairman nor the Vice-Chairman acting as Chairman shall have the right to vote in the meetings of the Executive Board. - (5) The quorum required for an Executive Board meeting to take decisions shall be the presence of more than half of the number of exporting and importing Members elected to the Executive Board representing respectively at least two-thirds of the votes for each category. If on the opening of an Executive Board meeting there is no quorum, the Chairman of the Executive Board shall postpone the opening of the meeting for at least two hours. If there is still no quorum at the new time set, the Chairman may again postpone the opening of the meeting for at least a further two hours. If at the end of this new postponement there is still no quorum, the quorum required for taking decisions shall be the presence of more than half of the number of exporting and importing Members elected to the Executive Board representing respectively at least half of the votes for each category.
