

Comité de Estadística
10ª reunión
9 marzo 2016
Addis Abeba, Etiopía

**Observancia de la facilitación de
datos estadísticos:
Años cafeteros de 2007/08 a 2014/15 y
octubre a diciembre de 2015**

Antecedentes

1. En este documento figura información acerca de la observancia de los Miembros del Reglamento de Estadística de la Organización aprobado por el Consejo, que figura en el documento [ICC-102-9](#): Certificados de origen y en el documento [ICC-102-10](#): Informes estadísticos.
2. La información que aquí figura abarca cada año cafetero de 2007/08 a 2014/15 y de octubre a diciembre de 2015. En el informe figura información recibida hasta el 15 de febrero de 2016. Cabe señalar que en el informe están ya todos los datos requeridos a tenor del nuevo Reglamento de Estadística debido a que los Miembros tuvieron cinco años para ajustarse a las nuevas prescripciones.
3. En el Anexo 10 figura la observancia de los Miembros exportadores con respecto a la facilitación estricta y a tiempo de estadísticas relativas a todos los datos requeridos en los años cafeteros 2011/12 a 2014/15. En el Anexo 11 figura la observancia de los Miembros importadores en ese mismo período. El Anexo 10A muestra la situación con respecto a los datos recibidos de los Miembros exportadores que están de conformidad con lo estipulado y se recibieron tarde.

Medidas que se solicitan

Se pide al Comité de Estadística que examine la observancia de cada Miembro de la Organización, a fin de hacer recomendaciones adecuadas al Consejo.

**OBSERVANCIA DE LA FACILITACIÓN DE DATOS ESTADÍSTICOS
AÑOS CAFETEROS DE 2007/08 A 2014/15 Y
OCTUBRE A DICIEMBRE DE 2015**

Estadísticas facilitadas por los Miembros exportadores

- *Exportaciones mensuales preliminares (Anexo 1)*

1. Se pide a los Miembros exportadores que envíen a la Organización, a más tardar **30 días** después del final de cada mes, información acerca del total de exportaciones efectuadas en el mes anterior. Si no se dispone de cifras finales, podrán facilitarse cifras provisionales o cálculos estimativos (véase el párrafo 3 a) del Reglamento de Estadística: Informes estadísticos, documento [ICC-102-10](#)).

- *Informes mensuales sobre exportaciones (Anexo 2)*

2. Se pide a los Miembros exportadores que envíen a la Organización, a más tardar **60 días** después del final de cada mes, información acerca del volumen y valor de las exportaciones, por forma de café y por país de destino, con respecto al mes del que se informa. Esa información deberá estar basada en los certificados de origen pertinentes emitidos para cubrir el café exportado en ese período del que se informa y deberá seguir las instrucciones acerca del formato que se especifica en el Anexo I-B del Reglamento de Estadística: Informes estadísticos, documento [ICC-102-10](#).

- *Certificados de origen (Anexo 3)*

3. Se pide a los Miembros exportadores que envíen los datos en archivos electrónicos o que envíen a la Organización la primera copia de cada certificado de origen junto con copia del conocimiento de embarque pertinente (véase el párrafo 5 de la Regla 4 del Reglamento de Estadística: Certificados de origen, documento [ICC-102-9](#)). En el año cafetero 2014/15, 79,7% de las exportaciones mundiales se basaron en datos recibidos mediante certificados de origen¹. De las 107.886² registros almacenados en la base de datos del período de octubre de 2014 a septiembre de 2015, 106.596 registros –equivalentes al 98,8% del total– fueron recibidos por medios electrónicos, mientras que los 1.290 restantes –lo que representa el 1,2% del total– fueron digitalizados.

¹ Se cree que los datos recibidos de algunos Miembros exportadores no son completos.

² Incluidos 553 registros de ex Miembros de la OIC.

4. El Reglamento de Estadística que entró en vigor al mismo tiempo que el Acuerdo de 2007 introdujo algunos cambios en el procedimiento de observancia de los Miembros. Cualquier Miembro exportador que tropiece con dificultades en la aplicación del Reglamento actual deberá ponerse en contacto con la Organización para solicitar asistencia. El volumen de exportaciones de los Miembros exportadores del que la Organización no recibió certificados de origen representa el 20,3% del volumen total exportado en el año cafetero 2014/15. De conformidad con lo dispuesto en el párrafo 4 del Artículo 33 del Acuerdo de 2007, los Miembros exportadores que hayan optado por emitir un documento alternativo deberán enviar datos electrónicos o el documento equivalente que emiten como reemplazo del certificado de origen de la OIC.

- *Precios mensuales que se pagan a los cultivadores (Anexo 4)*

5. Se pide a los Miembros exportadores que envíen a la Organización datos sobre el precio promedio que reciben los cultivadores por su producto, o el precio mínimo, si lo hay, que el Gobierno garantiza a los cultivadores mensualmente (véase el párrafo 1 a) del Reglamento de Estadística: Informes estadísticos, documento [ICC-102-10](#)).

- *Datos anuales sobre existencias iniciales, producción y consumo interno (Anexo 5)*

6. Se pide a los Miembros exportadores que envíen a la Organización cálculos estimativos de la producción y el consumo interno en el actual año de cosecha y el año de cosecha siguiente y las existencias de cierre al final de cada año de cosecha (véase el párrafo 1 b) y c) del Reglamento de Estadística: Informes estadísticos, documento [ICC-102-10](#)). Se pide también a los Miembros exportadores que producen/exportan más de un tipo de café o usan métodos de beneficio distintos (vía húmeda y seca) que indiquen, en términos porcentuales, el tipo y método de beneficio. Deberá también enviarse cada año información sobre la distribución porcentual de la cosecha por trimestre y la superficie dedicada al café y el número de cafetos (véase el párrafo 1 c) del documento [ICC-102-10](#)).

- *Informe sobre las importaciones (en vigor a partir de febrero de 2012)*

7. Se pide a los Miembros exportadores que envíen a la Organización información **mensual** sobre el volumen y valor de las importaciones de café, si las hubiere, por forma (y tipo, si fuere aplicable) y por país de origen. Esa información podrá facilitarse conforme a los códigos pertinentes del Sistema Armonizado (SA) por producto. Cuando no se disponga de información mensual, deberán facilitarse datos anuales antes de que hayan transcurrido **60 días** después de finalizado el año civil (véase el párrafo 1 a) del Reglamento de Estadística: Informes estadísticos, documento [ICC-102-10](#)).

- *Precios mensuales al por menor (en vigor a partir de febrero de 2012)*

8. Se pide a los Miembros exportadores que envíen a la Organización información sobre los precios representativos del mercado al por menor del café tostado y/o soluble correspondientes al mes de que se informa (véase el párrafo 1 a) del documento [ICC-102-10](#)).

- *Superficie dedicada al café (en vigor a partir de febrero de 2012)*

9. Se solicita a los Miembros exportadores que envíen a la Organización todos los años información acerca de la superficie dedicada al café –número de cafetos y superficie respectiva en producción y número de cafetos nuevos (aún no en producción)– (véase el párrafo 1 c) del documento [ICC-102-10](#).

10. Cabe señalar que, desde que el Reglamento entró en vigor en febrero de 2012, muy pocos Miembros exportadores han cumplido lo que se solicita en los párrafos 7 a 9 del mencionado documento.

Estadísticas facilitadas por los Miembros importadores

- *Informes mensuales sobre importaciones y reexportaciones (Anexo 6)*

11. Se pide a los Miembros importadores que envíen a la Organización informes completos por correo electrónico o por fax, a más tardar **60 días** después del final de cada mes, información sobre el volumen y valor de las importaciones, por forma de café y por país de origen, y sobre el volumen y valor de las reexportaciones, por forma de café y por país de destino, del mes del que se informa (véase el párrafo 3 c) del documento [ICC-102-10](#)). La información estadística publicada por Eurostat ha sido usada para proporcionar datos de la Unión Europea desde enero de 2014.

- *Precios mensuales al por menor (Anexo 7)*

12. Se pide a los Miembros importadores que envíen a la Organización información acerca de precios representativos del mercado al por menor del café tostado y/o soluble correspondientes al mes del que se informa (véase el párrafo 2 a) del documento [ICC-102-10](#)).

13. Varios Miembros importadores notificaron a la Organización que no podían cumplir la facilitación de datos sobre precios al por menor, siendo las razones para ello que se juzgaba que la información facilitada era confidencial, las series facilitadas no reflejaban las compras efectuadas por los consumidores o ya no se recopilaban los datos.

Situación actual de los precios al por menor

| Ya no se facilitan datos | No se recopilan datos (notificado por Miembro) | No se dispone de datos |
|--------------------------|---|------------------------|
| Bélgica Noruega* | Croacia Estonia Grecia Rumania Suiza | Irlanda Túnez |

* Noruega facilitará precios al por menor tan pronto como estén disponibles.

Los Miembros importadores restantes facilitan información con regularidad.

- *Información sobre tuestes (Anexo 8)*

14. Se pide a los Miembros importadores que envíen a la Organización información sobre la cantidad de café verde que fue tostado al final de cada trimestre/año civil, si está disponible (véase el párrafo 2 b) del documento [ICC-102-10](#)).

- *Información sobre inventarios (Anexo 9)*

15. Se pide a los Miembros importadores que envíen a la Organización información sobre los inventarios de café verde que tienen los importadores y los tostadores en el último día del trimestre/año civil, si se dispone de esos datos (véase el párrafo 2 b) del documento [ICC-102-10](#)).

- *Información sobre los cambios que se hagan en impuestos y gravámenes, leyes y reglamentos de las exportaciones e importaciones de café en el país*

16. Se pide a **todos los Miembros** que envíen a la Organización información sobre cambios o revisiones en el nivel actual de los impuestos y gravámenes que se apliquen a las exportaciones/importaciones de café, o en las leyes y reglamentos de las exportaciones/importaciones de café en el país (véanse los párrafos 1 d) y 2 c) del documento [ICC-102-10](#)).

Observancia de la Resolución Número 420

17. Tras la adopción por el Consejo en mayo de 2004 de la Resolución Número 420 se ha pedido a los Miembros exportadores que cumplan lo dispuesto en la Resolución. No obstante, dado que ese cumplimiento es de carácter voluntario, la información sobre la

calidad que se recibió de los Miembros exportadores se ha observado con respecto a envíos de café que han tenido lugar desde que la Resolución entró en vigor. En el documento [SC-64/16](#) figura el último informe sobre los avances realizados en la aplicación del Programa de Mejora de la Calidad del Café.

Resumen de los cuadros y conclusiones (Anexos 10, 10A, 11 y 12)

18. El Anexo 10 muestra la observancia estricta de los Miembros exportadores de los requisitos en materia de estadística de la Organización en el año cafetero 2014/15. De entre los 42 Miembros exportadores de la actual afiliación al Acuerdo, sólo 4 (que representaron el 41,3%) tuvieron observancia plena en general, y 9 (15,6%) tuvieron una buena observancia. La observancia de otros 5 países (1,5%) fue parcial. El Anexo 11 muestra que tuvieron observancia plena 34 Miembros importadores, que representaron el 99,6% del promedio anual de importaciones efectuadas por todos los Miembros importadores en los cuatro años cafeteros de 2011/12 a 2014/15.

19. Hay 17 Miembros exportadores que no cumplen en absoluto sus obligaciones en materia de estadística. El total de exportaciones de esos Miembros representó el 28,1% del promedio de exportaciones efectuadas en los cuatro últimos años cafeteros. La observancia de otros 7 Miembros exportadores, que juntos representaron el 13,2% de las exportaciones de ese período, fue también deficiente. Las exportaciones de 8 países productores no miembros que fueron Miembros a tenor del Convenio de 2001, representaron el 0,3% del promedio total de exportaciones efectuadas en los cuatro últimos años cafeteros.

20. El Anexo 10A muestra los datos recibidos de Miembros exportadores correspondientes al año cafetero 2014/15 al 15 de febrero de 2016. Muestra datos recibidos en observancia con el Reglamento de Estadística, y también datos recibidos fuera de las fechas que se estipulan en ese Reglamento. En este análisis alternativo, de entre los 42 Miembros exportadores de la actual afiliación al Acuerdo, 8 Miembros exportadores (que representan el 46,4%) tuvieron plena observancia en general, y la observancia de otros 14 Miembros exportadores (43,9%) fue buena. La observancia de otros 6 países (1,4%) fue parcial.

21. Este análisis alternativo muestra que 12 Miembros exportadores no cumplen en absoluto sus obligaciones en materia de estadística, lo que representa el 6,4% del promedio de exportaciones efectuadas en los cuatro últimos años cafeteros. Además, otros 2 Miembros exportadores, que juntos representan el 1,7% de las exportaciones de ese período, muestran también una observancia deficiente. Como ya se indicó, las exportaciones de 8 países productores no miembros que fueron Miembros a tenor del Convenio de 2001 representaron el 0,3% del promedio del total de exportaciones efectuadas en los cuatro últimos años cafeteros.

22. De entre los importadores, Túnez continúa siendo el único que aún no ha mostrado observancia del Reglamento de Estadística de la Organización. No obstante, facilitó datos anuales del comercio de café hasta el año civil de 2014 y del período de enero a noviembre de 2015. Siguen haciéndose esfuerzos para obtener los informes mensuales.

23. La facilitación a su debido tiempo de cálculos estimativos de la producción y el consumo interno por la mayoría de los demás países productores sigue siendo insatisfactoria, en especial en los seis últimos años de cosecha. Debe hacerse entender a los Miembros exportadores que la información estadística es esencial para la fiabilidad de los informes y para la exactitud de los análisis de la oferta y la demanda que da a conocer la Organización.

24. Los Miembros exportadores e importadores deberán mantener informada a la Organización de todo cambio que se haga al nivel de los impuestos y gravámenes que se apliquen a las importaciones y exportaciones de café y de las leyes y reglamentos actuales que estén en vigor en cada país.

25. El Anexo 12 muestra la observancia de los Miembros exportadores en cuanto a la facilitación de nueva información estadística que se requiere en virtud de la entrada en vigor del Acuerdo de 2007.

Recomendaciones

26. El Reglamento de Estadística que figura en los documentos [ICC-102-9](#) e [ICC-102-10](#), certificados de origen e Informes estadísticos, respectivamente, ha estado en vigor por cinco años. Se invita a los Miembros que tropiecen con dificultades en la aplicación de este Reglamento en sus países a que se pongan en contacto con el Director Ejecutivo para tratar de encontrar una solución en cuanto a cómo pueden prepararse informes y datos a su debido tiempo de conformidad con los requerimientos que se especifican. La Organización está dispuesta a llevar a cabo reuniones de trabajo para ayudar a los Miembros en la preparación de informes mensuales y trimestrales. Además, en el sitio en Internet de la OIC puede encontrarse un video que sirve de guía para la recopilación de informes estadísticos.
