International Coffee Council
119th Session
13 – 17 March 2017
London, United Kingdom

Admission of observers

Background

1. Rule 5 of the Rules of the Organization provides that, at the start of each Session, the Council shall decide on the acceptance of observers and designate the items on the Agenda of the Council and Committee meetings which shall be open to accepted observers. Meetings of the Finance and Administration Committee are only open to Members. The terms of reference for the Private Sector Consultative Board (PSCB) (Annex II of document ICC-115-13) provide that non-members, relevant organizations and experts in coffee matters may participate at meetings upon the invitation of the PSCB. Observers should therefore submit requests to attend PSCB meetings through its Chairperson.

2. In September 2015, the Council approved a list of observers to be admitted to Sessions in the following coffee year. A list of observers approved for admission who have confirmed their attendance at the 119th Session is attached as Annex I. Annex II contains the list of observers to be approved for admission in 2016/17 and Annex III contains copies of Articles 15 and 16 of the 2007 Agreement and Rule 5 of the Rules of the International Coffee Organization.

3. Additional observers wishing to attend meetings should have submitted requests for observer status in writing to the Organization (by 27 February 2017 in the case of the 119th Session from 13 – 17 March 2017).

4. It is suggested that items relating to finance and administration on the Council Agenda should be restricted to Members only at this Session.

Action

The Council is invited to consider the admission of the observers in Annex I and the items and meetings that shall be open to them at the 119th Session.

1 Paragraph 5 of Rule 34 provides that the Rules of the ICO shall also apply to meetings of committees, other subsidiary bodies and advisory bodies.

It shall take full advantage of the facilities of the Common Fund for Commodities and other sources of funding.
