1 The present document contains information concerning the 126th Session (Special) of the International Coffee Council and associated meetings that was available at the time of drafting. While every effort has been made to check the information provided, the ICO Secretariat cannot accept responsibility for inaccuracies.
I. INTRODUCTION

1. The Executive Director of the International Coffee Organization ( ICO ) presents his compliments, and wishes to inform ICO Members that a Special Session of the International Coffee Council ( ICC ) has been scheduled to take place virtually during the week of 1 to 5 June 2020. This is at the request of the following countries and in accordance with Article 11 of the International Coffee Agreement ( ICA ): Brazil, Colombia, Costa Rica, Ethiopia, European Union, Honduras, Indonesia, Mexico, Nicaragua, Papua New Guinea, Peru, Switzerland and Viet Nam.

2. The theme for coffee year 2019/20 is sustainable coffee value chain and sourcing.

II. VIRTUAL MEETING

3. The 126th Session of the ICC will be held online only using the virtual conferencing software GoToWebinar ( tbc ). All participants will be sent further instructions regarding technical requirements to attend the virtual meeting.

III. ATTENDANCE

4. In order to provide the best virtual experience for Members and in light of technical constraints, the delegations attending the Virtual Meeting shall be limited to one representative ( Head of Delegation ) who speaks on behalf of the Member. Members may wish to make their own internal arrangements to enable the participation of additional representatives using a single virtual access to the meeting.

5. In light of the technical limitations on the number of online attendees that can directly intervene during the Council, the participation of observers and non-members will not be possible. Special arrangements are being evaluated for the Seminar “ Covid-19: Impact on the world coffee sector and mitigation measures ”, to be held on Wednesday, 3 June 2020.
IV. Quorum

6. Paragraph (4) of Article 11 of the International Coffee Agreement 2007 states that “The quorum required for a Council session to take decisions shall be the presence of more than half of the number of exporting and importing Members\(^2\) representing respectively at least two-thirds of the votes for each category.”

7. Members are therefore strongly encouraged to participate in order for the Session to be quorate. A Member that is unable to participate may authorize another Member to represent its interests and exercise its right to vote (see paragraph 11).

V. Interpretation

8. After much research and consultations with other international organizations, a conclusion has been reached that, due to the current limitations in interpretation options through virtual conferencing software, the meeting should be held only in the English language. If interpretation is required, delegations are kindly requested to provide their own interpreters at their location, as has been the practice at recent international virtual conferences, such as recent G-20 Leaders’ meetings. The Organization is fully committed to continue monitoring technological developments in order to enable future virtual sessions of the Council to be served by simultaneous interpretation.

VI. Credentials and Registration

9. In accordance with Rule 3 of the Rules of the Organization, the credentials of Member delegations shall be issued in writing to the Executive Director. Please fill in the online form and upload your Credential Letter at the following link: https://www.surveymonkey.co.uk/r/Credentials126ICC

10. Given the new virtual requirements, Members must submit credentials through the online form no later than 22 May 2020. A model credential letter is attached in Annex I.

11. The registration for the virtual meeting will then be sent only to those listed on the credentials submitted to the Executive Director.

\(^2\) Active Members with voting rights.
12. Members are also reminded that, if they are unable to participate, paragraph (2) of Article 13 of the 2007 Agreement provides that any exporting Member may authorize in writing any other exporting Member, and any importing Member may authorize in writing any other importing Member, to represent its interests and to exercise its right to vote at any meeting or meetings of the Council.

13. A model authorization is enclosed in Annex II. Letters of authorization should be sent via the online form no later than 22 May 2020. Scanned copies may be uploaded at: https://www.surveymonkey.co.uk/r/UnableToAttend126ICC

VII. SESSIONS

14. The virtual Council Session and associated meetings will run from 10:45 to 15:00 (BST) from Monday 1 June to Friday 5 June with a 30-minute pause. We fully understand that the timing may cause inconveniences to Members connecting from locations in significantly different time zones. The ICO wishes to thank all Members for their understanding and cooperation.

15. Due to time and technical constraints, the Finance and Administration Committee will be the only ICO advisory body that will meet during this virtual Council Session. Meetings of the other Committees and advisory bodies are postponed to a later date.

16. The schedule for each day will be as follows:
