n.a. = not applicable
1. The Executive Director presents his compliments and wishes to inform Members and observer Governments about updated procedures for membership of the International Coffee Agreement (ICA) 2007.

2. At its 101st Session from 22 to 26 September 2008 the International Coffee Council approved Resolutions 439 and 440 which respectively provide for Governments to sign the Agreement and deposit instruments of ratification, acceptance or approval until 25 September 2009. The 2001 Agreement has been extended by Resolution 438 until 30 September 2009 to enable Governments to complete membership formalities for the ICA 2007.

3. ICO Members and observer Governments are invited to contact the Treaty Sections or Legal Offices of their Ministries of Foreign Affairs and request them to undertake the necessary formalities for membership, which include the following:

   (a) signature no later than 25 September 2009, followed by ratification, acceptance or approval by 25 September 2009;

   (b) signature no later than 25 September 2009 and notification of provisional application (this may be the fastest procedure for new Members), followed by ratification, acceptance or approval; and

   (c) accession (this option is only available after the deadline for signature has passed and once the Council has established conditions for accession).
Signature

4. Signature indicates the intention of a Government to apply the Agreement. Under the provisions of Resolution 439, the Agreement will be open for signature at the Depositary Headquarters until **25 September 2009**. It should be noted that a Government only becomes a Contracting Party to the ICA 2007 after ratifying, accepting or approving it.

**Steps for signature of the ICA 2007 are summarized as follows:**

(a) prepare an instrument of Full Powers for the proposed signatory in accordance with the section on Full Powers below and Annex III;
(b) deliver instrument of Full Powers by hand, mail, fax or scanned copy by email to the ICO headquarters in London for **advance review** (at least three days in advance is suggested);
(c) make an appointment with the Depositary Office of the ICO to sign the Agreement (during the period that the Agreement is open for signature);
(d) attend the appointment and present the original instrument of Full Powers (if sent by fax or scanned copy by email previously);
(e) signature ceremony for the ICA 2007; and
(f) the ICO, in its capacity as Depositary, will notify Members and non-member Governments about this action.

**Full Powers**

5. In international law, a Head of State, Head of Government or Foreign Minister may sign a treaty in his or her own right. Anyone else needs to produce “Full Powers” signed by one of those three representatives. Full Powers can take time to produce so they should be prepared **well in advance** of the proposed date of signature of the Agreement (at least three days in advance is suggested). The UN Treaty Section advises that Full Powers must include the following (see model in Annex III):

- It must be signed by either the Head of State, Head of Government, or Minister for Foreign Affairs
- The signature must be legible
- It should indicate the title of the treaty
- Full Powers must state the full name and title of the representative authorized to sign
- Date and place of signature must be indicated
- Official seal (optional, but cannot replace the signature of one of the three authorized authorities).
Ratification, acceptance or approval

6. The ICA 2007 requires ratification, acceptance or approval by Governments which have signed it and intend to apply it. Under the provisions of Resolution 440, Members should deposit their instruments of ratification, acceptance or approval with the Depositary by 25 September 2009. Instruments of ratification, acceptance or approval must be signed by the Head of State or Government, or by the Minister for Foreign Affairs, and deposited with the Depositary. A model instrument, which may be adapted as appropriate, is attached as Annex IV. The UN Treaty Section notes that instruments must include:

- Title, date and place of conclusion of treaty
- The type of action should be clearly identified, e.g. ratification, acceptance or approval
- Full name and title of the person signing the instrument (i.e. the Head of State, Head of Government or Minister for Foreign Affairs)
- An unambiguous expression of the intent of the Government to consider itself bound by the treaty and to undertake faithfully to observe and implement its provisions
- Date and place where the instrument was issued
- Signature of the Head of State, Head of Government or Minister for Foreign Affairs (the official seal is not sufficient).

Steps for ratification, acceptance or approval to the Agreement are as follows:

(a) following signature of the ICA 2007, prepare instrument of ratification, acceptance or approval (as applicable) in accordance with model in Annex IV;
(b) instrument is signed by Head of State or Government, or Minister for Foreign Affairs;
(c) deliver the instrument by hand, mail, fax or scanned copy to the ICO;
(d) if the instrument is faxed or sent as a scanned copy to the ICO, deliver the original instrument to the Organization as soon as possible thereafter;
(e) the ICO will examine the instrument to ensure it is in due and proper form. The date of deposit will be the date on which the instrument is received at the ICO headquarters; and
(f) the ICO will notify Members and non-member Governments about this action.

Notification of provisional application

7. Under the provisions of Article 41 (Provisional application), a signatory Government which intends to ratify, accept or approve the 2007 Agreement may, at any time, notify the Depositary that it will apply the Agreement provisionally in accordance with its legal procedures. Similar wording to that of the model instrument in Annex IV, adapted as appropriate, may be used for notifications of provisional application.
Accession

8. Accession is generally used by States wishing to express their consent to be bound by a treaty where the deadline for signature has passed. The Council will review the situation of membership in 2008/09, and may decide at a future session to establish procedures for accession, in accordance with Article 43.
