The first to develop a total involvement—right from the seed to the cup

Example of success: Establishment of the Blue Mountain brand in Japan

Consumer perspective

Producer perspective

Other activities in producing countries and in Japan

Measures in producing countries

1) Support for the cupping contest in Brazil
2) Support for the cupping contest at Kona in Hawaii
3) Support for the Coffee Quality Institute (CQI)
4) Introduction of the Rain Forest Alliance to Japan

Activities in Japan

1) Opening of the Coffee Museum
2) Reuse of coffee waste — Efforts going beyond “from the seed to the cup”

A bridge to producers

Establishment of UCC do Brasil in 1984

Full start of direct buying
Opening of a Quality Control Center
Establishment of UCC standards

Bridge
Producers
Consumers
Other activities in producing countries and in Japan

Measures in producing countries
1) Support for the cupping contest in Brazil
2) Support for the cupping contest at Kona in Hawaii
