INTERNATIONAL
COFFEE
ORGANIZATION

IWCA Is the Voice of Women in Coffee

- We promote possibilities for women through the development of local chapters.
- We plan to add a chapter in each of the 77 ICO member nations, beginning first with the 45 ICO member exporting nations.
- By giving women resources and the forum to make connections and develop opportunities that benefit them, we in turn benefit their families and their communities.
- There is an opportunity for the ICO and the IWCA to collaborate on two key Millennium Development Goals:
 - MDG #1 – Eradicate Extreme Poverty and Hunger
 - MDG #3 – Promote Gender Equality and Empower Women
- Join us in tapping into the hidden potential of women.
