CORRIGENDUM

**Improving the participation of women in the
coffee value chain in Cameroon**

Cover page – under Background

1. Please replace the first paragraph with the following:

“1. This document, submitted by the Cocoa and Coffee Inter-professional Council (CICC) of Cameroon, contains the summary of a project proposal designed to improve the participation of women in the coffee value chain in Cameroon. A copy of the full proposal is available from the ICO Secretariat upon request.”

2. To access the summary of the project Improving the participation of women in the coffee value chain in Cameroon please click on the following link:
